

February 13, 2018

Be it remembered that the Versailles Town Council met for their regular monthly meeting on February 13, 2018. All council members were present. The Pledge of Allegiance was recited. Minutes from the previous meeting were read and approved.

Judge Cheryl Richmond gave the Versailles Town Court report for the month of January. Judge Richmond reported that the totals were down slightly for the year, and that she has trial scheduled twice in April. Attorney Larry Eaton will draft a resolution for the Town of Milan to cite their ordinance violations into the Versailles court.

Dean Ferrier from Rumpke was in attendance to address concerns with the trash pick-up. Dean stated that Rumpke was committed to resolving any issues the town has with their trash service.

Marshal Joe Mann reported that an update was required for the Spillman software. The cost will be \$773.30 per officer, plus an annual maintenance fee. Marshal Mann gave an update on some of the properties that have been previously warned about ordinance violations. Joe and the council discussed having police escorts for basketball games. Joe is against having police escorts for safety and traffic issues. Roxanne Meyer stated that she feels strongly that the police should escort the teams into town after a win. Matt McNew stated that at JCD, the town police block the side streets, and the fire department escorts the caravan. Roxanne spoke with Sherriff Jeff Cumberworth previously, and he stated that the County officers would support whatever the teams wanted. Marshal Mann will not shut down any streets or highways unless it is a town street. From now on, the SR sports teams will contact the Versailles Fire Department

Superintendent Kevin Hensley reported that the sewer line at Abdon and Jarvis streets has been replaced. Kevin got a price for repairing the storm drain on North Adams street on the Moeller property, and will work on it in the Spring. Jeff Haaft will fix the issues at the soccer building when the weather gets better.

The council discussed ideas for the 2018 Tyson Fund request. The soccer lease agreement has been revised. Online registration for baseball and softball will be addressed for next year's season. Council president Matt McNew signed the engineering agreement for the new town hall.

With no further business coming before the council, meeting adjourned at 8:34 p.m.

Attest: _____

Kiersten B. Libby, Clerk-Treasurer

Council President, Roxanne Meyer

Council Member, Steve Mathes

Council Member, Matt McNew
