The locks at Pangburn park will be changed as soon as Jeff Hafft is finished with the concession stand. A backstop will be installed at Pangburn, and REMC will repair the broken light pole next week. A lift station is being installed at TAC, and they will be responsible for getting someone to plumb it in. Kevin asked if the street department employees could wear shorts, as long as they wore steel toe boots. The council agreed that they could, as long as they keep a pair of long pants at the water plant in case they needed them. Kevin will monitor the employees activities and determine if shorts are appropriate. The town will purchase one pair of steel toed boots for each employee.
