

June 10, 2025

On June 10, 2025, the Versailles Town Council met for their regular monthly meeting. All council members were in attendance along with attorney Lynn Fledderman. Minutes from the previous meeting were approved.

Roger Kavanaugh was present to request that Water Street be closed between Washington and Main for Legion Fest on July 26th. Council unanimously approved. Council also approved placing a Legion Fest sign at the Raider Gas lot.

Ben Sieverding presented the fire department report. The department responded to 60 calls in May. Two fire fighters passed their Firefighter I/II certification with two more enrolled in training. Upon completion, the whole department will be certified making it the only department in the county having all firefighters certified. The department is working on updating the response plans for structures on the town square. This update is necessary based on improvements made in recent years.

Department reports were received prior to the meeting and were read and reviewed by council. Items on the consent agenda were accepted.

Sarah mentioned that there is no written leak adjustment policy. Lynn will create one and bring it to the next meeting to be discussed.

Ordinance 2025-3 amending the sign and solid waste ordinances passed on the 2nd read.

Resolution 2025-3 amending the employee vacation policy was read and approved.

KJ Sran was present representing Nobel LLC. He discussed his plan for the building and current progress. He agreed to communicate with the town and share his progress. Council requested a plan from his contractor as well as pictures showing progress.

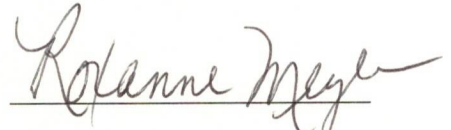

Josh Combs informed council of an event at the Legion on August 23rd. He noted that there will be bands playing into the evening.

With no further business coming before council, the meeting adjourned at 7:39 p.m.

Attest:

Sarah Bauman, Clerk Treasurer

Roxanne Meyer, Council President

Josh Combs, Council member

Renee Hart, Council member
