

VERSAILLES

# DRUG TAKE-BACK

EVENT

Community organizations have reported a rise in substance abuse because of quarantine and the COVID-19 pandemic. If you have expired or unused medications in your home, it may be time to get rid of them so they aren't a temptation to others.

**TUESDAY, SEPTEMBER 15 - 5 TO 8 PM**  
**VERSAILLES POLICE DEPARTMENT**  
**113 S WASHINGTON STREET**

Simply drive through and drop your expired or unused medication in a collection box without ever leaving your vehicle. All staff will be wearing masks and practicing social distancing. Please stay home if you're sick.

**A SPECIAL THANKS:**

Ripley County
